Sponsorship

COMMUNITY

Park and Play: A mobile recreation program that promotes mental health & wellness through play.

Art in the Park: Program designed to inspire & connect youth and teens to our parks through creative expression.

Outdoor Fitness: Installation of an outdoor fitness center and community fitness classes for youth, adults and seniors

ENRICHMENT

Story Walk: Installation of free story walks in two local parks to promote literacy, physical fitness & a sense of community.

After School Programs: Enrichment programs provide hands-on learning in science, arts, engineering and garden science.

Curiosity Kids: Free kids educational program fosters a connection to the outdoors & supports interest and autonomy in learning.
