

Community Outreach Intern

The American Canyon Community & Parks Foundation (ACCPF), a local non-profit committed to connecting nature & community, is seeking a college intern to help support summer 2022 programming.

About ACCPF:

The American Canyon Community & Parks Foundation was founded by a dedicated group of community volunteers to support parks, community, and access to open space. We believe that parks and open spaces are an important part of a vibrant community and that equitable access to quality services is an essential part of a rich quality of life for our citizens.

ACCPF is the only local non-profit organization that uses the outdoors to improve community health, children's education, and social connection in American Canyon. Fundraising efforts have helped us make a BIG impact in our community. Projects such as the Wetlands Outdoor Fitness Center, Heart Your Parks "Art Walk", Healthy AC Park and Play Van, Curiosity Kids, StoryWalk, Watershed Explorers, and more help nature and community flourish together.

Job Responsibilities:

- Social Media Support
- 100 Hours Outside Campaign Support
- Participate in tabling and community events as a representative of ACCPF
- Work with local teen volunteers to staff & facilitate summer programming
- Event set up & take down
