

# Call for Artists

## **A Community Art Celebration in Honor of World Wetlands Month**

*Hosted by the American Canyon Community & Parks Foundation*

### **Overview**

The American Canyon Community & Parks Foundation invites artists ages 14 and up to participate in Eco Art Expressions, a community art celebration highlighting the beauty and importance of our local wetlands in honor of World Wetlands Month.

Selected artists will create original artwork inspired by the wildlife of the wetlands. All pieces will be temporarily installed along Wetlands Edge Road in American Canyon for public enjoyment throughout the month of May.

### **Theme**

All finished artwork must celebrate or reflect:

- Wildlife of the wetlands

### **Eligibility**

- Open to ages 14+
- Artists of all experience levels welcome
- Must be able to complete artwork on the provided wooden canvas by the April 10 due date

## Artist Details & Benefits

- **Supplied Materials:** Each selected artist will receive one 36" diameter circular wooden canvas
- **Supply Reimbursement:** Artists are eligible for up to \$50 in art supply reimbursement (receipts required for reimbursement)
- **Public Installation:** Artwork will be on display May 1–31 along the Wetlands Edge Road walking path
- **Ownership & Future Use:** Completed artwork will remain the property of the American Canyon Community & Parks Foundation and may be auctioned as part of a future fundraiser to support the Napa River Ecology Center.

## How to Apply

Due to limited space, interested artists must complete the **Google Interest Form** to be considered. Artist submission deadline is **February 27, 2026**.

Artists will be notified of acceptance by **March 1, 2026**.
